Stroll through the iconic red-orange torii gates and temple grounds of the Fushimi Inari Shrine and walk through the most famous geisha district in all of Japan, the Gion District.

On board the exclusively chartered, Five-Star small ship M.S. LE SOLEAL, featuring only 110 ocean-view Suites and Staterooms, cruise from Himeji, Japan, along the coast of the tranquil Inland Sea and South Korea, with port calls featuring five UNESCO World Heritage sites. Visit Himeji Castle, the oldest surviving feudal structure of medieval Japan; walk through Peace Memorial Park in Hiroshima and visit its comprehensive museum; tour Itsukushima Shrine in Miyajima with its awe-inspiring Great Torii Gate, which appears to float on water at high tide. In Gyeongju, South Korea, see the Bulguksa Temple, which represents the material expression of Buddhist utopia on Earth, and the ancient Silla Kingdom Royal Burial Mounds. In Moji, admire the beautiful Mekari and Akama Shrines, and observe the lively excitement of a Japanese fish market.

This unique itinerary is an excellent value featuring Five-Star accommodations and at least one included excursion each day in the most beautiful and culturally fascinating ports along the Inland Sea of Japan. Traditions, Ceremony and Ritual

A mysterious island nation, one of unsurpassed natural beauty and a way of life found nowhere else in the world, Japan and its fascinating culture is laden with ancient spiritual rituals, symbolism, stately ceremony and rich, storied tradition—the beginnings of which originated thousands of years ago. Tea ceremonies, Goh drama, ikebana (“the way of the flowers”), matsuri (the many seasonal festivals of worship) and classical landscape gardens are just some of the long-held traditions an immersion into Japanese culture will unveil. Experience the time-honored formality of the tea ceremony and look for the four different types of classical gardens: the paradise garden, kare-sansui (dry landscape) garden, stroll garden and tea garden, each with a different symbolic interpretation. You have the opportunity to stroll the harmonious landscaping of Koraku-en Gardens near Okayama. And, perhaps silent contemplation will reveal to you the lessons of the kare-sansui rock garden at Ryoan-ji, Kyoto’s Temple of the Peaceful Dragon, founded in 1450. This garden, one of the most famous in the world, represents the ultimate expression of Zen Buddhism—legend says that only 14 of the 15 rocks in the garden can be seen at once, and only when you attain spiritual enlightenment does the final stone reveal itself.

Osaka, Japan/Kyoto
Thursday, May 5
Arrive in Osaka, then transfer to beautiful Kyoto, the impeccably preserved former imperial capital of Japan. Check into the ideally located Five-Star KYOTO HOTEL OKURA. The remainder of the day is at leisure.

Kyoto
Friday, May 6
In timeless Kyoto, enjoy an ethereal setting of grand imperial castles, tranquil Zen gardens and graceful Shinto shrines that manifest Japanese culture in its purest form. Many of Kyoto’s ancient buildings and gardens are designated UNESCO World Heritage sites, including grandiose Nijo Castle, built by the shogun of the powerful Tokugawa dynasty (1603 to 1867); iconic Kinkaku-ji Temple, the famed 14th-century Temple of the Golden Pavilion, whose top two floors are completely adorned with gold leaf; and the Ryoan-ji Temple, originally an aristocrat’s villa during the Heian Period (794 to 1185), featuring a contemplative rock garden. Drawing inspiration from the Zen gardens of Kyoto, Steve Jobs used Ryoan-ji Temple as a place of meditation and its minimalistic simplicity as the guiding aesthetic principle of Apple™ products.

This afternoon, enjoy a visit to the captivating Fushimi Inari Shrine, one of the oldest Shinto shrines in Japan—the earliest structures were constructed in 711, dedicated to the deity of sake and rice. Its iconic red-orange torii gates lead up in succession to the magnificent Inari Mountain.

Join your traveling companions for a Welcome Reception this evening.

Kyoto
Saturday, May 7
Visit the UNESCO World Heritage site Kiyomizu Temple, which translates to “Pure Water Temple,” and is one of the most celebrated temples in Japan.

Cover Photo: Miyajima’s Great Torii Gate is thought to be the boundary between the spirit and the human worlds.
Photo this page: Kyoto’s UNESCO-designated Golden Pavilion functions as a shariden, housing relics of the Buddha.
Founded in 780 by the Hosso sect—one of the oldest schools of Japanese Buddhism—this elegant structure, built without a single nail on a wooded hillside above the Otowa Falls, is known for its spectacular views of surrounding Kyoto.

This afternoon, enjoy a traditional Japanese tea ceremony and visit the Gion District, known for its historical beauty, distinctive Japanese architecture and geisha performances.

**Kyoto/Himeji**
**Sunday, May 8**
Enjoy the morning at leisure before a scenic transfer to the extraordinary Himeji Castle, a UNESCO World Heritage site regarded as the oldest and grandest surviving feudal castle from 15th- to 17th-century Japan. This elegant structure was crafted entirely out of wood and comprises 83 buildings. In Japanese, it is referred to as Shirasagi-jo, meaning “white egret castle,” for its resemblance to a bird taking flight.

Later this afternoon, embark the M.S. Le Soleal.

**Hiroshima/Miyajima**
**Monday, May 9**
Visit Hiroshima’s compelling Peace Memorial Park, a tranquil, urban green space where the remains of the Genbaku Dome, which survived the forces of the atomic bomb, are designated UNESCO World Heritage site and stand as a universal symbol of peace. Visit the Peace Memorial Museum, which chronicles the history of Hiroshima.

Continue to Miyajima, or “Shrine Island.” Tour the impressive sixth-century Itsukushima Shrine, a UNESCO World Heritage site, and see its stunning vermilion Great Torii Gate, both of which appear to float on water during high tide.

**Hagi**
**Tuesday, May 10**
Originally a small fishing port, the cultural town of Hagi was fortified by Mōri Terumoto in 1604. Enjoy a walking tour of the old samurai quarter, where many former samurai dwellings still stand and the roads are lined with original 19th-century earthen walls. Visit the early 17th-century Kikuya House, the former residence of a merchant wealthy enough to live among the samurai and one of the best-preserved examples of merchant-style architecture from the Edo Period. Tour the 17th-century Toko-ji Temple, from the Obaku School of Japanese Zen Buddhism, and see its 500 moss-covered stone lanterns honoring the Mōri clan lords. Visit a Hagi-yaki pottery kiln, where highly prized tea wares are produced using centuries-old skills and craft techniques, and the Hagi Uragami Museum, which displays over 5000 traditional woodblock prints and porcelain pieces.

The Purification Hall, or Haraiden, of Itsukushima Shrine faces the Great Torii Gate and has been used for monthly festivals and for performing religious dances on rainy days. Walk through the elaborately decorated monuments of ancient Kyoto.
Matsue
Wednesday, May 11
Enjoy a scenic drive through Matsue to tour the acclaimed Adachi Museum of Art. This stunning combination of Japanese art and garden design features a collection of 20th-century paintings and modern art, while the perfectly landscaped gardens, featuring a kare-sansui (dry landscape) garden, are widely considered to be the best in the country.

Return to the ship for lunch and an afternoon of cruising with lectures by our onboard study leaders.

Ulsan, South Korea, for Gyeongju
Thursday, May 12
Travel across the magnificent landscape from Ulsan, South Korea, to the cradle of the Silla Kingdom (57 B.C. to A.D. 935) in the historic city of Gyeongju. Visit the glorious Bulguksa Temple, a UNESCO World Heritage site and part of a religious architectural complex that represents a material expression of Buddhist utopia on Earth. The complex is divided into three areas—the Vairocana Buddha Hall, the Hall of Great Enlightenment and the Hall of Supreme Bliss—and comprises a series of wooden buildings on raised stone terraces, featuring multiple bridges and two pagodas.

Visit Gyeongju National Museum, which houses priceless archaeological and historical artifacts. Enjoy a specially arranged Korean lunch in a local restaurant featuring the regional specialty, galbi gui.

After lunch, visit the Royal Burial Mounds at Tumuli Park where, in 1974, the 43-foot-high Cheonmachong (Heavenly Horse) Tomb, dating from the fifth century, was excavated, revealing over 10,000 royal treasures inside.

Moji, Japan
Friday, May 13
Enjoy a tour of Moji. Visit the beautiful Mekari Shrine, built by Empress Jingu, wife of the 14th Emperor of Japan, to give thanks to the gods. See Mimousogawa Park and its monuments honoring the Genpei War, (1180 to 1185), and visit the Akama Shrine, dedicated to the child Emperor Antoku. Then, experience the lively excitement of the Karato Fish Market, a wholesale market where professional chefs come to purchase the freshest seafood to prepare time-honored recipes and sushi in their restaurants.

Enjoy the Captain’s Farewell Reception on board this evening.

Uno
Saturday, May 14
From the port of Uno, participate in one of two included excursions. Enjoy a scenic drive to the lovely town of Kurashiki, which translates to “storehouse village,” one of the best-preserved mercantile towns in Japan; its distinctive black and white latticed buildings remain from the 17th-century Edo period. Visit the old merchant quarter and walk among the traditional kara (granary) buildings beside small, tranquil canals framed by weeping willows. Or, choose to visit the famous Koraku-en Gardens, situated on the outskirts of Okayama. Commissioned by Lord Ikedo in 1700, it is a classic strolling garden divided into three sections featuring bamboo, pine, plum and cherry trees and tea bushes.
